

## **You Can Make a Difference**

### **You can make a difference with a few simple steps**

- Make a decision to find and patronize a locally owned business, wherever possible.
- Dine at a local, independent restaurant and treat yourself to a unique and personal dining experience.
- When you shop online with out-of-state companies, it doesn't contribute a dime to the local economy. So check for members who offer the same products, and some even deliver.
- Look for the bSmart Rewards logo when you shop.
- Tell your associates, family, and friends why it is important to shop local. We all create our communities. Let's continue to create strong and vibrant Your town as a legacy for those who follow.
